

## 36. @Classes

The screenshot shows the Visual Studio Code interface with the file `id-vs-class.html` open. The Explorer sidebar on the left lists the project files, including `id-vs-class.html` and various HTML tags. The main editor displays the CSS and HTML code for the file. The CSS part defines three classes: `#crimson` (color: crimson), `.intro` (font-style: italic), and `.important` (text-decoration: underline). The HTML part uses these classes in the following order: `<h1 class='intro'>`, `<p class='intro important'>`, `<p id='crimson' class='important'>`, and `<p>`. Three circular arrows with the number 15 are overlaid on the HTML code, indicating a sequence of operations. A video player interface is visible at the bottom, showing a timestamp of 06:30 and a video player with a 00:00 duration. A small video thumbnail of a man is also present in the bottom right corner.

```
9      #crimson {
10         color: crimson;
11     }
12
13     .intro {
14         font-style: italic;
15     }
16
17     .important {
18         text-decoration: underline;
19     }
20 }
21 </style>
22 </head>
23 <body>
24     <h1 class='intro'>Intro</h1>
25     <p class='intro important'>
26         Lorem ipsum dolor sit amet consectetur adipisicing elit. Eligendi qui, modi laboriosam
27         dolorum voluptatibus saepe et porro consequatur odit illo sunt possimus dolorem
28         veritatis iusto eos ex pariatur distinctio sapiente.
29     </p>
30     <p id='crimson' class='important'>
31         Lorem ipsum dolor sit amet consectetur adipisicing elit. Illum perspiciatis vel
32         temporibus dignissimos iure esse! Culpa, iure dolorum quis, ipsa molestiae ipsum dolores
33         quisquam, soluta maiores numquam vitae! Repudiandae, excepturi.
34     </p>
35     <p>
36         Lorem ipsum, dolor sit amet consectetur adipisicing elit. Esse amet hic,
37         nostrum rem, explicabo natus eaque necessitatibus minus atque cumque repud
38         et commodi voluptate. Voluptatum, iusto.
39     </p>
40 </body>
41 </html>
```
